Steve Rizzo was a national headline comedian who starred in his very own Showtime comedy special, earning him honors as a Showtime Comedy All-Star.

Then, at the pinnacle of his stand-up career, Steve walked away from comedy to pursue his true purpose and passion—to teach people how to achieve Increased Productivity, Greater Enthusiasm and New Levels of Success. He is a member of the Speaker Hall of Fame, an honor bestowed upon on fewer than 250 speakers worldwide since 1977.

Steve is also the author of the bestselling book *Motivate THIS!* and is a regular contributor to *SUCCESS* magazine. His comedy clips can be heard daily on SiriusXM's LaughUSA and Jeff & Larry's Comedy Roundup. He is often called upon as the "go-to" guy on the topic of personal development for many network, cable and radio media outlets, including Fox News, MSNBC, NBC and CNBC. His immensely popular PBS special revealed why he's an expert on Attitude, Humor and the Power of Positive Thinking.
