# TAKE THIS JOB & LOVE IT!

– For Education Groups –

**A**fter being told by a guidance counselor that he didn't have the intelligence to make it through college and then being saddled with the dubious high school honor of "Least Likely to Succeed," Steve Rizzo didn't give himself much of a chance to emerge as anything special, much less an **honors college graduate, a teacher, a counselor for students with behavioral problems, a national headline comedian, an author and a Hall of Fame Speaker.**

Steve teaches educators how to acquire the attitude they need to achieve their goals in and out of the classroom—while actually enjoying the process! **"Enjoyment is the spark that ignites passion and enthusiasm,"** Steve says. "Teaching without passion and enthusiasm is merely going through the motions. Passion and enthusiasm give you the strength to go the extra mile that could make a difference in a young person's life."

Let Steve show your group how to perform and deliver far beyond their expectations, individually and as a team.

## **YOUR GROUP WILL LEARN HOW TO...**

- Start each day with an unstoppable attitude to succeed.
- Have fun and enjoy the process.
- Create new ways of thinking that will turn obstacles into opportunities.
- Shift their focus to see a brighter alternative to a negative situation.

## WHAT CLIENTS SAY

*"I am still receiving rave reviews about your keynote. Your presentation was just the right amount of humor and message. The evaluations were excellent (4.78 out of a possible 5 for this kind of average from over 600 evaluations is amazing!) and the comments were just as positive. Thank you for doing such a wonderful job!"*
