

DON'T JUST ACCEPT CHANGE, EMBRACE IT!

Many people have a difficult time with it, but in its inevitable process are the seeds of great growth. You just have to stop resisting long enough to plant them. Steve will show your group how to embrace one of the biggest challenges in both the workplace and in our personal lives...CHANGE. Discover the essential steps to surmounting change and achieving the success that lies on the other side.

In DON'T JUST ACCEPT CHANGE, EMBRACE IT!, you will learn the secrets of...

- Being optimistic and eliminating negative self-talk.
- Enjoying yourself during the process of change.
- Overcoming the stress and fear associated with change.
- Using your "Humor Being" as a strategy to grow with change.
- Shifting your attitude to get the results you want.

WHAT CLIENTS SAY

"Don't Just Accept Change, Embrace It! provided just the message we hoped for. Your delivery provided a very strong message in an entertaining, thought-provoking and stimulating manner. Thank you for making our seminar A SMASHING SUCCESS."
